CLASSIC CUTTING CLASS

A thorough understanding of core technique is the foundation of every great stylist. Former Vidal Sassoon Creative Director, Michael Davis teaches the basic fundamentals of haircutting: lines, graduation, and layering are broken down and explained in a relaxed environment tailored to suit the individual needs of each student.

ADVANCED CUTTING CLASS

Michael Davis shares his insight on hairdressing in a comprehensive class designed to stimulate and provoke thought. The contemporary shapes and cutting techniques introduced will expand on both your creative and technical skills. The intimate hands-on session will inspire hairdressers of all skill levels.
